Clinical Services:-

The Institute offers a whole range of clinical services, to individuals starting from a few days old to elderly. The activities include speech-language assessment and rehabilitation, audiological assessment and rehabilitation and specialized clinical services on communication disorders. In addition, referred services are being provided in the areas of otorhinolaryngology and clinical psychology.

Research

The staff of the Institute are actively involved in both basic and applied research pertaining to the communication disorders. The postgraduate, doctoral and postdoctoral level research are being carried out. In addition, faculty and staff are involved in external funded and Institute funded research projects. The research outputs are being published in both international and national journals of repute.

Public Education

Public awareness is created regarding prevention, identification and rehabilitation of communication disorders. Print and audiovisual material such as pamphlets, posters, slides, videos, and models are used for public education activities. In addition, social media platforms such as facebook, twitter, youtube, linkedin, Instagram, and mass media such as television and radio are widely used for public education and awareness.

(ii) Norms/ Standards for functions/ service delivery

The Institute follows Government of India rules and byelaws of AIISH.

iii) The process by which these services can be accessed

The clinical services of the Institute can be availed by making OP registration either online through the ORS Patient Portal of the Govt. of India at <https://ors.gov.in/index.html> or directly at the Institute main campus. In addition, clinical services are provided at the outreach service centres of the Institute located across the country.

iv) Time limit for achieving the targets

The Institute follows the guidelines of the Department of Personnel and Training, Govt. of India on matters related to the manpower and the guidelines of the Department of Expenditure, and General Financial rules, Govt. of India on matters related to the purchase, expenditure etc.

v) Process of redressal grievances

Grievance Redressal has been done within 15 days of receiving the grievance on all working days in official hours by the Public Grievance Officer of the Institute.
