4	AIISH/A/E/22/00002 (D)	10/04/2022	<p>Information sought: Refused access to information requested. The information that was asked is as follows - Applications submitted before the closing date of the application for all AIISH recruitments are routinely rejected as incomplete and submitted improper format. However, more than 150 candidates, OBC and SC certificates were incomplete in the application for the post of Staff Nurse under Advertisement 3/2021. Why were they allowed to appear for the Written Skill test held on 20/3/2022, without rejecting their application? Information provided by DPIO / Reply: Applications are being scrutinized as the per the advertisement and general instructions notified against each post, Recruitment rules, Reservation policies and concessions applicable for reserved candidates issued by DoPT issued from time to time.</p> <p>As per OM No. A36011/1/2013-Estt (Res) dated 23th January 2014, SC/ST/OBC candidates can compete under Unreserved category if they fulfill all the criteria prescribed under that category. Hence the question of incomplete application for not having SC/ST/OBC certificate does not make them ineligible and cannot be mere reason for rejection. Further, the advertisement for Staff Nurse vide No. 03/2021 was called for filling up of vacancies under UR, SC and OBC category.</p>	<p>Information sought: Refused access to information requested.
