A message from the Board Chair and Foundation President

Raising aspirations and creating opportunities. The University of Maine Foundation is grateful to you for your part in inspiring UMaine students over the past year.

Although 2020 has unfolded in ways none of us anticipated, we have been looking forward to June 30, 2020 for some time now. The date marks the completion of the University of Maine's Vision for Tomorrow comprehensive campaign. With over \$208 million in funds raised, we are happy to report that the \$200 million goal was exceeded. This investment in UMaine comes at a time when it is needed most. Transforming and adapting for a future which is still unfolding is a task which requires resources.

The full impact of this campaign will be revealed for years to come. Every single one of the 104,763 gifts is threaded back to raising aspirations and creating opportunities for UMaine students. One way is through the students who are able to continue their studies as a result of new scholarships. Another is through students who take their UMaine education along with the lessons in fortitude acquired during this pandemic to make the world a better place.

The list goes on. In 2022, the Ferland Engineering Education and Design Center will open its doors to welcome students with active learning classrooms and laboratories to prepare them for cutting-edge careers in engineering. More world-class works of art will be accessible from the new galleries at the Zillman Art Museum. The next Maine-rooted astronaut may be inspired by a show at the Versant Power Astronomy Center. The sky is the limit!

Though the challenges of 2020 have been unprecedented, fundraising has remained strong, thanks to so many donors. Some highlights include:

A \$1.3 million naming gift from education leaders and arts supporters, Donald and Linda Zillman, will expand and enhance the University of Maine Museum of Art, now known as the Zillman Museum of Art (ZAM)

The groundbreaking for the Ferland Engineering Education and Design Center was held on schedule in April

Record number of giving society members

Endowments supporting UMaine now exceed \$314,398,353, the highest value ever

The Student Crisis Fund was launched and has raised over \$220,000 to help students with emergency funds

More details of the results of the Vision for Tomorrow campaign are on pages 6-11. We cannot thank you enough for your role in the success of this record-breaking campaign.

We are now in FY21 and the Foundation staff continues to function fully, utilizing some newly adopted technologies to keep us in touch with all of you. As the world recovers, we will be working hard to support UMaine's efforts to define new opportunities in higher education.

Stay well,

A message from the President of the University of Maine and University of Maine at Machias

We are proud and excited to be announcing the very successful completion of our Vision for Tomorrow comprehensive campaign in this annual report. I wish to extend my sincere gratitude to everyone who participated. From the single largest capital gift in UMaine's history to the contributions of 35,499 additional donors who shared our vision, this fundraising effort has been unprecedented, securing more than \$208 million in new investment in our flagship campus, exceeding the \$200 million goal.

The campaign's 2020 vision opened opportunities for new scholarships, much-needed state-of-the-art facilities, and bold initiatives in the arts, humanities, STEM and more. Together, we focused on the four campaign pillars — Fostering Student Success, Ensuring Access for All of Maine, Catalyzing Maine's Economy and Accelerating Discovery to Impact — that are more important today in the midst of a pandemic than ever before.

Through higher education, today's students are engaged and prepared.

We are living in extraordinary times and the challenges have enabled us to innovate, partner, focus on learning outcomes and look to science for answers like never before. As Maine's research university, we have a leadership role in ensuring the future of this state and contributing to the greater good. The Harold Alfond Foundation recently announced a transformational \$240 million grant to the University of Maine System. I want to thank previous UMaine presidents who were instrumental in designing this proposal and moving it forward. This opportunity, and the recently completed Vision for Tomorrow comprehensive campaign, have put the University of Maine in a strong position to continue to lead, respond and advance new knowledge.

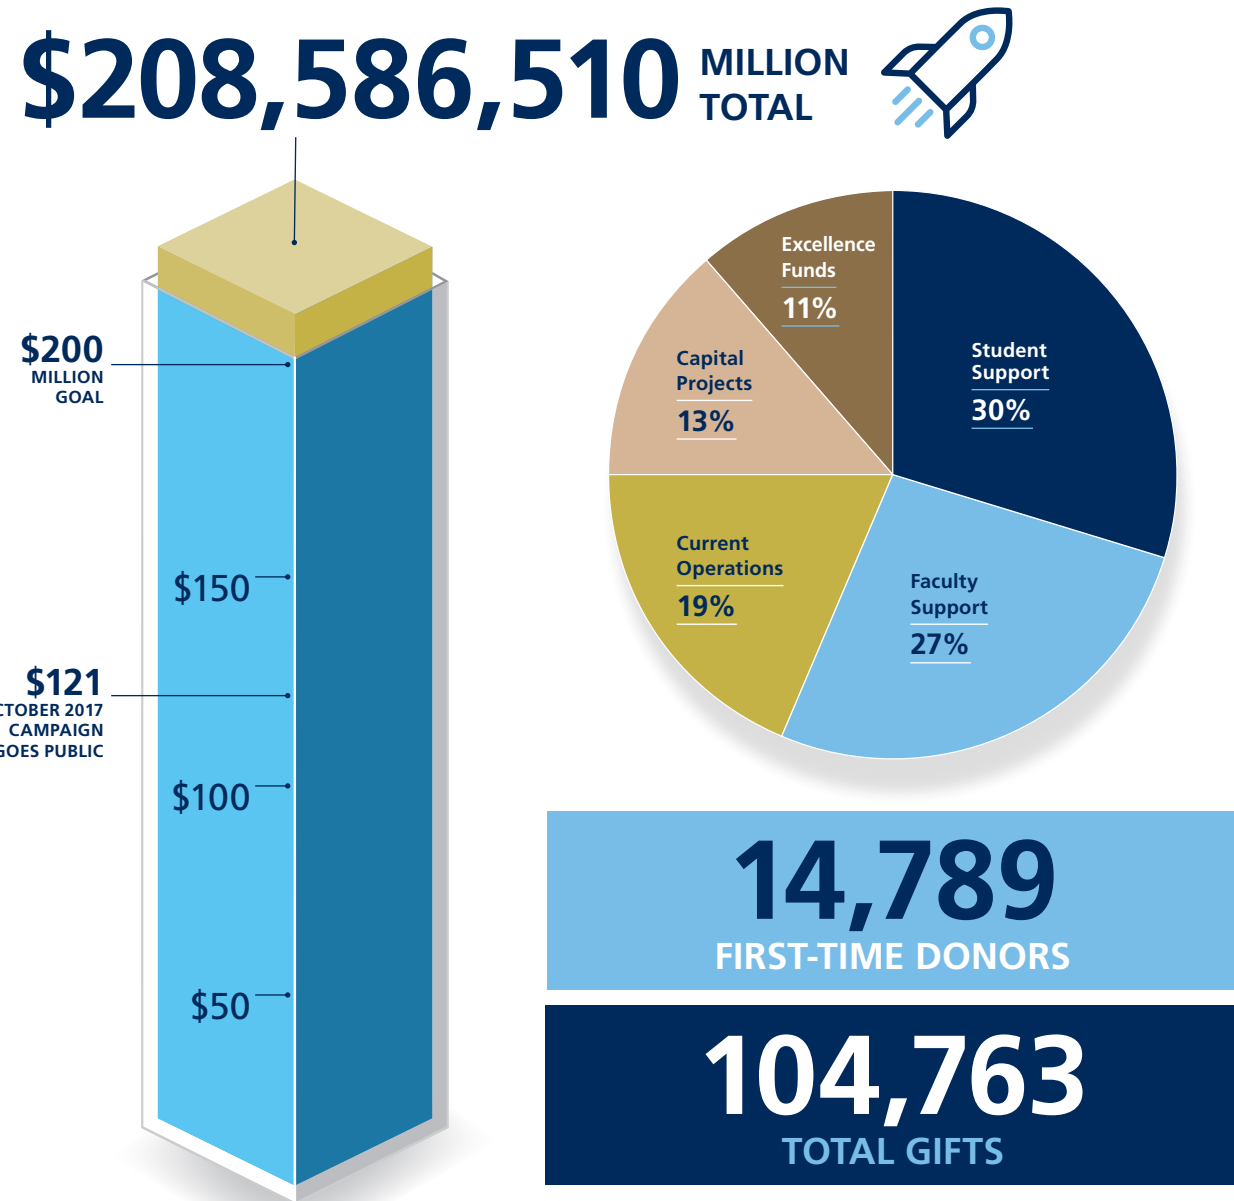

I look forward to continuing our work together as we define tomorrow.

UMaine's Vision for Tomorrow comprehensive campaign exceeds \$200 million goal

The University of Maine Vision for Tomorrow comprehensive campaign exceeded its \$200 million goal by more than \$8 million—a record-setting fundraising effort for the University.

The public phase of the campaign was announced in October 2017 with \$121 million raised. The comprehensive campaign had *four major priority areas*—Fostering Student Success, Ensuring Access for All of Maine, Catalyzing Maine's Economy, and Accelerating Discovery to Impact. Each area received significant investments.

Fostering Student Success

Student success is at the heart of the University of Maine. As a student-centered university, UMaine offers scholarships, the state's most comprehensive academic offerings, unparalleled student research opportunities, and internships and other community engagement initiatives. As part of the UMaine experience, students are involved in real-world enterprises that inform their academic work and provide growth opportunities. It's in these engagement opportunities that students discover their passions and forge their paths.

ALMOST **60%** OF THE FUNDS RAISED ARE FOR STUDENT AND FACULTY SUPPORT

Ensuring Access for All of Maine

The University of Maine was established to serve Maine and its people. Maine's flagship university provides teaching, research and economic development, and engagement statewide. UMaine is committed to accessibility and affordability, and links its resources with the needs of industries and businesses, schools, cultural organizations, state government and communities. We attract the best and brightest students, champion lifelong learning, provide outreach in every Maine county, and offer unique initiatives in arts and athletics.

“We're delighted to be able to support the Art Department at UMaine with this gift. Our daughter, Ariel, is the third member of our family to have graduated from a University of Maine System school. Although we did not attend UMaine, through our daughter and [Sam's] parents, Julius and Charlotte Goos, we've seen firsthand the impact of the education provided to students and recognize its importance as a resource for the state of Maine. The Goos Family Studio will serve as a lasting reminder of the opportunities it provided for our family and for future art students for years to come.”

Samuel and Sarah Goos

Catalyzing Maine's Economy

Maine's potential is UMaine's purpose. As the state's major research university, UMaine delivers infrastructure and innovation, prepares the future workforce, and collaborates with businesses and organizations in the public and private sectors to grow Maine's economy. World-class faculty turn knowledge into solutions and mentor students to be tomorrow's leaders. Every year, the University of Maine graduates more students than any other institution in the state, and those graduates are prepared to succeed.

Accelerating Discovery to Impact

UMaine's nationally and internationally recognized research benefits Maine. Undergraduate and graduate students collaborate with faculty conducting fieldwork and scholarship throughout the state and around the globe. This engagement, at the core of the state's public research university, enriches the academic experience and helps address real-world needs. UMaine students graduate from Maine's land grant university knowing the difference their contributions can make in this state and beyond.

Highlights include gifts supporting UMaine's six colleges, athletics and the University of Maine Alumni Association, over 500 new scholarship funds, and \$25 million for the new Ferland Engineering Education and Design Center, which is under construction and expected to be open in fall 2022. An anonymous \$1 million matching gift created over \$4.8 million in total new investment for scholarships and other endowment support for Maine students to attend UMaine.

Also created or established during the campaign: the Emera (now Versant) Astronomy Center, the Clement and Linda McGillicuddy Humanities Center, the Stephen E. King Chair in Literature, the Zillman Museum of Art expansion and naming gift, the Kenneth W. Saunders and Henry W. Saunders Professorship in Engineering Leadership and Management, the Edward Sturgis Grew Earth Sciences Endowment, and the Savage Challenge Fund to support men's ice hockey.

The Maine 4-H Foundation completed several major projects during the campaign, including the new Lafayette and Rawcliffe 4-H Science and Engineering Center on campus, and the new UMaine 4-H Camp and Learning Center at Greenland Point in Washington County. In addition, the Maine 4-H Foundation has added more scholarships and other support to continue to expand and enhance 4-H STEM, leadership, service and arts programs for Maine youth.

Major gifts to support the efforts of UMaine and the University of Maine Pulp & Paper Foundation included over \$1.65 million from the Packaging Corporation of America.

“The Ferland EEDC will become the heart of engineering education at the University of Maine. It will help to retain talented Maine students, as well as attract even more from out of state. This talent pool will provide the engineering graduates and new innovations critical to moving Maine's economy forward.

Dana N. Humphrey, Ph.D, P.E.
*Dean, College of Engineering,
 Henry and Kenneth Saunders Professor
 of Engineering Leadership & Management*

The Alford Fund for Athletics, Maine Day of Giving, and the Employee Giving Campaign were new fundraising initiatives launched during the campaign.

Giving society memberships are at **record levels**. Membership in the Charles F. Allen Legacy Society, for those who have established planned gifts, is **up 30%**; Stillwater Society membership, for donors whose lifetime giving exceeds \$25,000, is **up 39%**; President's Club membership, which includes donors who make annual gifts exceeding \$1,000, is **up 57%**; and Triple Crown donor membership, for those in the President's Club, the Stillwater Society and the Charles F. This campaign has demonstrated that donors can work with us to choose a gift type that best suits their financial position while accomplishing their philanthropic goals for supporting UMaine. During the campaign, we traveled across the country meeting with alumni and friends; there is a great fondness for and connection to the college of our hearts always, and it shows in the support we received.

Ways of Giving

Cash

Gifts of cash to the Foundation can maximize your charitable deduction and deliver immediate benefits to the University of Maine. Many donors choose to make their cash gifts with a credit card, check or wire transfer. We invite donors to consider our secure online giving site, umainefoundation.org/give.

Payroll Deduction

UMaine employees may make a gift through payroll deduction. Contact the University of Maine Foundation for a payroll deduction form or download the form, umainefoundation.org/employeegiving.

Bequests

A provision for the University of Maine Foundation in your will allows for a substantial contribution without diminishing assets during your lifetime. Donors who let us know about plans for bequests or deferred gifts are eligible for membership in the Charles F. Allen Legacy Society. We can work with you to prepare a fund description that will describe how the fund will be administered and reflect special conditions you wish to be included. Sample bequest language: I give and bequeath ___ to the University of Maine Foundation of Orono, Maine to create the (insert fund name) to be administered as set forth in the fund description on file at University of Maine Foundation offices.

Appreciated Securities

A gift of long-term appreciated securities often has at least two advantages: it can provide an income tax deduction equal to the fair market value of the securities and may reduce capital gains tax. It is possible to make a gift using shares of mutual funds, but such gifts typically require more advanced planning, as the transfers take longer.

Real Estate and Tangible Personal Property

A residence, forestland or other real estate property may be given to the Foundation as an outright gift, or you may prefer to donate your property to the Foundation and retain the right to occupy the property

for life. Treasures like valuable antiques, stamp and coin collections, works of art and other personal property may also be acceptable charitable gifts.

Life Insurance

You may make a gift of life insurance in support of the University of Maine or one of its fundraising partners by naming the Foundation as owner and irrevocable beneficiary of a policy. The gift may be a paid policy, an existing policy with cash value or a new policy.

Retirement Plans

You can name the Foundation as a beneficiary of your retirement plan or tax-sheltered annuity through your plan administrator or explore taking advantage of IRA rollover legislation to save taxes.

Trusts

There are a variety of ways to create trusts that benefit you and your loved ones, as well as UMaine. Choosing the right trust or other planned giving vehicle depends on your age, assets and many other factors, and our experienced staff can help you.

Charitable Gift Annuity

Through a simple contract, you agree to donate cash, stocks or other assets to the University of Maine Foundation. In return, you and someone else, if you choose, receive a fixed amount each year for the rest of your lives. The remainder is endowed to support the University of Maine.

Donor-Advised Funds

Donor-advised funds help donors to be actively involved in the granting process to UMaine and other charities. Funds are managed and administered by the Foundation, but the donor advises the Foundation about preferences regarding grant recipients, grant amounts. Donor-advised funds receive the maximum tax benefits and the donor is not responsible for the tax filings.

Increasing the Impact of Your Gift to UMaine

Honorary/Memorial Gift

You can make a gift to the Foundation supporting any area of the University of Maine in memory or honor of a professor, coach, student, relative or friend. Honorary and memorial gifts are a special way to celebrate a birthday or anniversary, or the graduation of a child, grandchild or other loved one. Memorial gifts are a thoughtful way to recognize a person's influence and accomplishments while advancing the mission of the University of Maine and helping the students we serve. When you make an honorary or memorial gift, we will (if requested) notify the honoree or next of kin, and will administer the gift as you direct.

Corporate Partnerships

Companies large and small are choosing to partner with the University of Maine in ways that are mutually beneficial. Corporate partnerships can involve internships and assistance with recruitment. The naming of laboratories and other facilities brings visibility for the company, and also provides an important source of funding for equipment, scholarships, student travel and other needs.

Recurring Gift

Many donors choose to make an automatic monthly gift to benefit UMaine using their credit card or another type of electronic fund transfer. This is convenient for donors, can help reduce printing and mailing costs, and can now be set up online, umainefoundation.org/give.

Pledge

A commitment over time allows you to make a significant gift in multiple payments. This can be completed directly through our giving staff or on our online giving form.

The type of gift that is best for you depends on many factors, including your age, health, family and employment situation, assets and lifestyle choices. Many companies will match your gift, maximizing the impact of your personal philanthropy.

Charitable giving often carries significant tax benefits for donors. All gifts to the University of Maine Foundation for UMaine and its fundraising partners are tax-deductible to the extent allowed by law. If you have questions regarding the tax implications of your giving, consult your attorney or financial advisor.

The University of Maine Annual Fund

When the pandemic hit, the University of Maine Foundation pivoted annual giving and Maine Day of Giving to support the **Student Crisis Fund**.

To date that fund received over \$220,000 in gifts and has provided grants to over 500 students. In September 2020, **the Black Bears Care Fund** was launched to provide relief to the University for the costs associated with keeping the community safe and learning.

Your support is more important than ever.

Planned Giving

The Katahdin Society (the highest level of the Stillwater Society) honors alumni and friends who have given \$1 million or more to benefit the University of Maine. Such exceptional generosity helped ensure UMaine's success for the first 150 years, and will be even more important in the years to come, as costs for a college education continue to rise and the need for exceptional teaching, research and outreach escalates in an increasingly complex and competitive world. **(K will appear after donor name)**

The Charles F. Allen Legacy Society, named for the University of Maine's first president, was established in 1995 to recognize and honor alumni and friends who intend to remember the University of Maine or its affiliated organizations by making a bequest or other form of planned or deferred gift. Such gifts will benefit the university in the years ahead without necessarily requiring that the donor fund the gift at the present time. While the gift is deferred, the benefits of membership in the society begin immediately. If you let us know that you have provided for the University of Maine or its affiliated organizations in your will, trust, pooled life income fund, life insurance policy, gift annuity or retirement fund, you immediately become a full member of the society. Charles F. Allen Legacy Society members receive a membership certificate recognizing their intentions and a lapel pin. Members are also honored at a special event on campus. **(L will appear after donor name)**

The President's Club is UMaine's front door to special donor recognition. Members of the President's Club give at least \$1,000 a year to UMaine. President's Club gifts

are often made as monthly recurring gifts or annual pledges paid in installments. Gifts can be unrestricted or designated for a particular need or priority; they may be used for current operations or directed toward an endowment. President's Club members range from recent graduates to Senior Alumni, represent virtually every major, are scattered across the country and share a common commitment to improving the lives of others. President's Club members receive a pin and are invited to a special brunch during Homecoming Weekend. **(P will appear after donor name)**

The Triple Crown of Support This report includes the names of alumni and friends who are truly shaping the future of the University of Maine as members of the Stillwater Society, Charles F. Allen Legacy Society and President's Club. The Triple Crown is a realistic goal for many donors who make philanthropy a priority, plan ahead and thoughtfully consider the many ways of giving. There is no ideal way to make a gift; the timing and nature of your gifts will depend on your unique circumstances. We encourage donors to work closely with their legal and financial advisors, as well as our fundraising professionals, to determine a path that is mutually beneficial for donors, their loved ones and the University of Maine. **(C will appear after donor name)**

The Loyal M Society recognizes UMaine's most faithful philanthropists. Membership is open to donors who have made gifts to benefit UMaine over at least two consecutive fiscal years, regardless of the gift amount, type or purpose. Recurring monthly gifts, set up with a credit card or electronic fund transfer from a checking account, are a convenient way to secure ongoing membership in the Loyal M Society. Membership is noted with the years of consecutive support in parentheses, e.g., **(Membership is noted with the years of consecutive support in parentheses, e.g., (15) denotes that a donor has made gifts to UMaine for 15 consecutive years, including FY20. (# will appear after donor name.)**

(Actual years of consecutive giving may be greater; the count extends back to when the Office of University Development transitioned from paper records to a fundraising database.)

Spending Policy

In managing the General Endowment, the University of Maine Foundation keeps two primary goals in mind: providing a significant and stable flow of funds to support the purpose of the endowed fund, and maintaining the long-term purchasing power of our donors' endowed funds. The Foundation's spending policy is designed to be in accordance with the Uniform Prudent Management of Institutional Funds Act (UPMIFA). UPMIFA requires us to ensure the duration and preservation of the endowment fund by appropriating a prudent amount for expenditure from endowment funds within the restrictions of any gift agreements. The net return of the General Endowment for the year ended June 30, 2020 was 0.8%.

Because long-term growth of Foundation endowments is essential to providing stable and meaningful distributions over time, the target spending amount will be 3.25% of the market value of an endowment.

Annual spending is calculated by applying the percentage to the trailing 12 quarter average market unit value of the General Endowment as of September 30 of each year.

The Board may apply a lesser prudent spending amount for funds with insufficient earnings to support the general spending rate, unless such expenditure is prohibited by the gift instrument. To provide for the

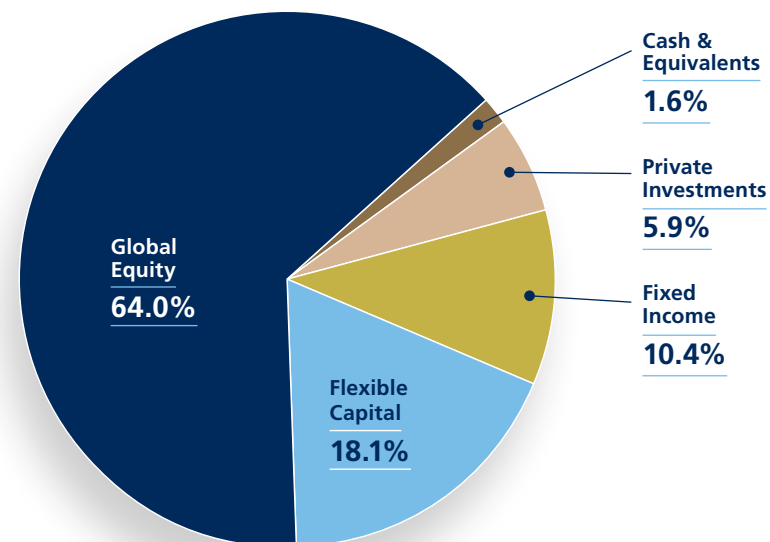

accumulation of earnings, only endowments held at least one year are eligible for spending. In addition to the general endowment spending rate, an administrative fee of 1.25%, which is reviewed annually by the Board of Directors, is charged to the General Endowment Fund to support the operations of the Foundation.

The accompanying endowment funds list in this year's annual report also includes endowments at the University of Maine System, the University of Maine Pulp and Paper Foundation, and the Maine 4-H Foundation, which support the University of Maine.
