- Forum
- Glossary
- Lesson
- Quiz
- SCORM
- Survey
- Wiki
- Workshop

The **Feedback activity** allows you to create and conduct surveys to collect feedback. Unlike the Survey tool it allows you to write your own questions, rather than choose from a list of pre-written questions and unlike the Quiz tool, you can create non-graded questions. The Feedback activity is ideal for course or teacher evaluations.

## Feedback - listen to your learners
