

Student Educational Technology Guidance

Workshop

Created by Annora Eyt-Dessus

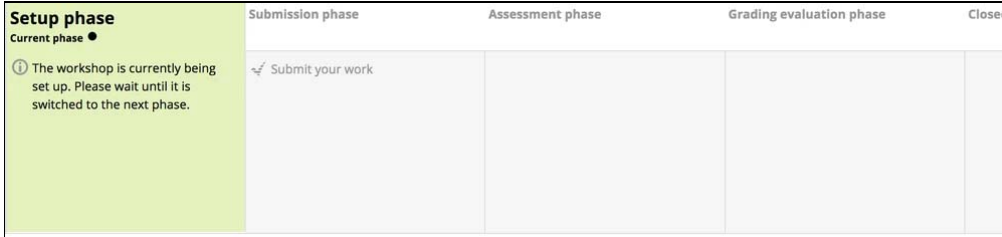

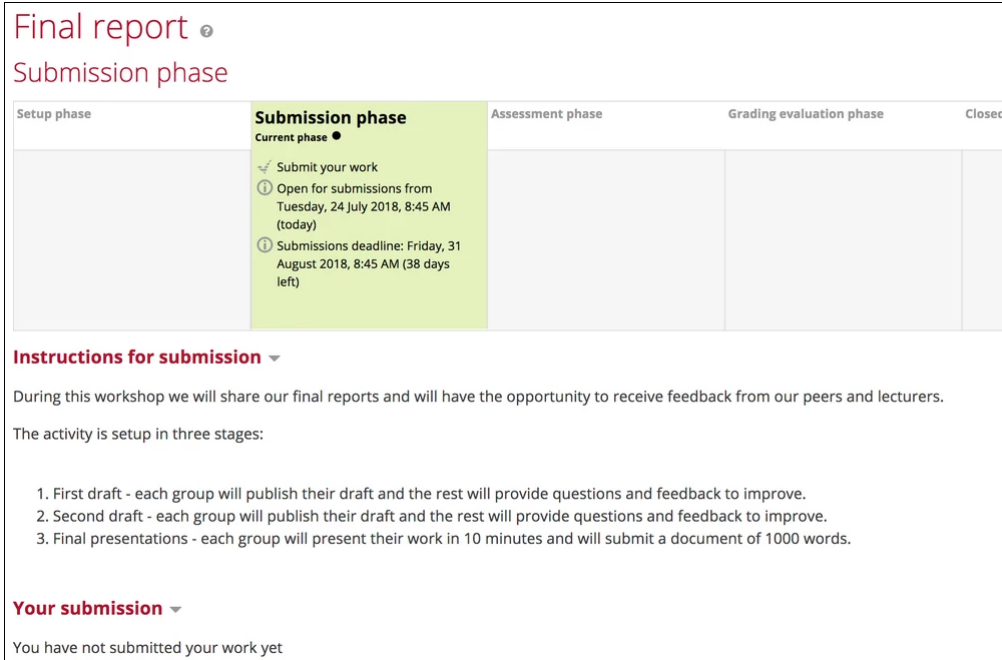

Last updated Jun 26, 2019 by EdTech Team

A workshop is a tool for peer and self-assessment. This page describes how to participate in a workshop.

Workshop phases

The workflow for the Workshop activity has five phases. The typical workshop activity can cover days or even weeks. The lecturer will switch the activity from one phase to another.

The typical workshop follows a straight path from Setup to, Submission, Assessment, Grading/Evaluation, and ends with the Closed phased.

Workshop Phase	Screenshot
Setup phase	 <p>Setup phase Current phase ●</p> <p>ⓘ The workshop is currently being set up. Please wait until it is switched to the next phase.</p> <p>✓ Submit your work</p>
Submission phase	 <p>Final report ⓘ</p> <p>Submission phase</p> <p>Setup phase Submission phase Current phase ● Assessment phase Grading evaluation phase Closed</p> <p>✓ Submit your work</p> <p>ⓘ Open for submissions from Tuesday, 24 July 2018, 8:45 AM (today)</p> <p>ⓘ Submissions deadline: Friday, 31 August 2018, 8:45 AM (38 days left)</p> <p>Instructions for submission ▾</p> <p>During this workshop we will share our final reports and will have the opportunity to receive feedback from our peers and lecturers.</p> <p>The activity is setup in three stages:</p> <ol style="list-style-type: none"> 1. First draft - each group will publish their draft and the rest will provide questions and feedback to improve. 2. Second draft - each group will publish their draft and the rest will provide questions and feedback to improve. 3. Final presentations - each group will present their work in 10 minutes and will submit a document of 1000 words. <p>Your submission ▾</p> <p>You have not submitted your work yet</p>
