विषय/Sub: Providing information for the Ministry Annual Report - reg.

संदर्भ/Ref: Letter No F. No. Z.18011/01(i)/2020-CDN from the Ministry dt 29.10.20

With reference to the above, the following major achievements, success stories and new initiatives were undertaken by the Department of Clinical Psychology during the period 1st January 2020 to 31st October 2020

1. Psychological assessment and intervention through tele mode was initiated in view of the ongoing pandemic to maintain social distancing, to avoid person-to-person contact and safeguard the clients.
2. Approximately 400 cases were seen in face-to-face contact mode by practicing the pandemic norms and about 150 cases were seen in virtual mode @ 1 hour per session per child in the reported period.
3. The department continues to record and diagnose clinical cases as per ICD 10/ICD 11 norms as directed by the ministry.
4. About 20 public education and academic outreach programmes targeting students, professionals, parents and administrators were conducted through webinars on virtual mode in the reported period.
5. Additional 10 original research articles were published in peer-reviewed journals, 1 book on toys and play in children's, 2 chapters on topics related to communication disorder was also published in this period.

Submitted for your information and records.
