

Five Day Faculty Development Program On

Teaching Learning and Assessment with MOOCs & Open Educational Resources: Hands on Approach

February 8 to 12, 2020

Coimbatore Institute of Technology

Coimbatore Institute of Technology (CIT) started in 1956 by Sri. V. Rangasamy Naidu is reckoned for its academic excellence in Engineering and Technology. CIT is a Government Aided Autonomous Institution affiliated to Anna University, Chennai. The institute has a reputation with service of competent, well qualified faculty and dynamic management to set highest standards in engineering, research and development. CIT offers undergraduate, post graduate and Ph.D. programs with a global standard curriculum promoting the students to compete internationally. The institute has collaboration with leading frontier universities and industries in India and abroad for the promotion of innovative research and development. National Institutional Ranking Framework (NIRF), MHRD, Govt. of India has ranked CIT with 1st place in Tamil Nadu for Graduate Outcome and 68th Place in NIRF 2019.

Teaching Learning Centre

Coimbatore Institute of Technology has been approved as Teaching Learning Centre (TLC) under the scheme of Pandit Madan Mohan Malaviya National Mission on Teachers and Teaching (PMMMNTT), Department of Higher Education, Ministry of Human Resource Development (MHRD) in December, 2017. The objective of Teaching Learning Centre is to raise the Quality of Teaching through training, retraining, refresher and orientation programs in the disciplines of Academic, Research and Management (ARM) of the teachers of technical education institutions in the regions of Tamil Nadu (West), Kerala, Karnataka, Andhra Pradesh and Pondicherry. So far, this center has organized about 50+ programs with focus on building competencies in Engineering and Technical Education.

About the Program

Education with technology is considered as the most promising development in this era. Due to technology globalization, the concept of learning and teaching has undergone enormous changes. Integration of new technologies in Teaching and Learning process has become order of the day and on-line courses are increasing at a rapid speed in line with the off-line courses. Teachers play a significant role in the successful implementation of e-learning courses. It is therefore necessary for teachers to be updated with the supporting tools and techniques for e-teaching.

Objectives of this program is to

- Create awareness and equip the participants towards Blended Learning which could be used in the regular class room and online teaching.
- Enable them to update their teaching style as technology based.
- Equip them to apply technology in teaching learning process.
- Provide them a platform to engage themselves in e-assessment and evaluations.

The workshop aims at providing Hands-on training and Demonstration as its predominant knowledge dissemination methods.

As per the Latest MHRD Guidelines, programs conducted by TLC 's of PMMMNTT scheme shall be claimed by the faculty members for their Career Advancement Scheme (CAS).

Resource Persons
