**Subject:** Free Trial access of Web of Science to the Member institutes of ERMED-Consortium.

Dear Sir/Madam,

This is with reference to the online product presentation organized by National Medical Library, DGHS titled "Online Resources – An Overview" by the various publishers, on 10.07.2020 & 17.07.2020. It is hoped that the presentation was helpful in introducing your faculty members and residents to the wide range of online resources available currently including databases, teaching aids, e-books etc.

We are glad to inform you that Clarivate (publisher) have agreed to offer a complimentary trial of their product i.e. Web of Science , which is already operational. Shortly, it can be accessed through the ERMED webpage i.e. <http://www.ermmed.in>.

You are requested to circulate the information among your faculties/students etc. so that maximal utilization of these online resources may take place for online teaching learning programs, as well as for research and patient management.

Further it is requested that, at the end of the trial, kindly give your feedback and suggestions, in this regard. Your inputs will be valuable in helping NML initiate a proposal towards the procurement of this resource. For any queries, please reach out to Vishav Sharma ([vishav.sharma@clarivate.com](mailto:vishav.sharma@clarivate.com), Sr. Solution Consultant at Clarivate).

Kindly acknowledge the receipt of the above communication.

Thanking you

Regards,

Dr Renuka Sharma,

Director-Professor,Physiology,VMMC & Safdarjung Hospital

and Director, National Medical Library, DGHS"
