Sub: Compliance report of the ARF project-reg.

Ref: SH/CDN/ARF/Review-69/2020-21 dated 07.08.2020

Respected Madam,

With reference to the above, please find enclosed the final report of the ARF project titled 'Database of Communication Disorders Published in India' along with the compliance report based on the reviewer's comments on initial report.

It may please be noted that we submitted the initial project report in September 2018 and the reviewer's comments were received in August 2020. By this long gap, the open-source applications and tools using which we developed the database got out-dated. Hence, we re-built the database from scratch using the latest versions of repository software and supporting tools which took time. However, the database content has been updated as on the year 2020.

Considering the above, the delay in submitting the compliance report may kindly be condoned.

Thank you,

Yours faithfully,

Dr.Shijith Kumar C

Principal Investigator of the Project
