How Searches are Counted: Search by Word -- The search count is incremented every time the search button is clicked. Subsequently clicking Next to retrieve the next set of results does not increment the search count. Search by Publication -- The search count is incremented every time the search button on the Search by Publication page is clicked. Subsequent browsing of issues of a journal and / or documents within the journal does not increment the search count. Search by Topic -- The search count is incremented every time a search is performed that returns articles. How Documents are Counted -- The document count is incremented at the start of document delivery from the ProQuest electronic vault.
